

We know who you are...you're the person that tells your pup that you love them at least once or twice a day. As a passionate dog owner; it makes sense to trust your family member with a daycare facility that will deliver the same passion, love and attention that you do for your pets.

Daycare is not a kennel where dogs are caged most of the day. Dogs at daycare get to romp and play freely with other dogs and are only isolated during naptime.

Playtime Doggy Daycare was created to provide families with a much needed outlet for their dogs to help them give their pups the extra attention and exercise that they all crave. Our staff of professionals will exercise them as much as they desire, and provide loving care. Your dogs will come home at the end of the day blissfully happy and very relaxed.

Your k-9 buddy will be allowed to play indoors and out-of-doors in our fenced in play area, while being supervised by experienced, knowledgeable and caring staff members. Daycare provides an opportunity for your dog to come and socialize with doggie friends in a safe, clean environment instead of sitting at home and chewing the couch (or sleeping in a pen) while they wait for you to come home from work. It also provides a healthy atmosphere to alleviate costly behavioral problems caused by boredom or separation anxiety. You even have the option of having your k-9 child pampered at our spa! Dog washing, nail clipping, ear cleaning, grooming, and massage is all available as an added extra, for a nominal fee!

Visit our day care and make an appointment for us to meet your special friend! Enroll today, and let your pet join the fun!!!
